

Environmental message :

Welcome to Greenwoods and thank you very much for supporting us.

We feel that it is important that Greenwoods does all it can to be as environmentally responsible as possible. To this end we have taken a number of measures to ensure that we reduce our footprint.

If you would like to know more then please ask your server.

- We only use recyclable plastic & paper
- Straws and napkins are by request and are recyclable
- We do not stock bottled or canned products that require haulage
- We only use locally sourced produce and make as much as we can in house and on premises.
- We have stopped with Avocado due to its water use and long distance transport issues
- We are working through all our products and processes to make them as eco friendly as we can

If you are in any way unhappy with your experience at Greenwoods please tell us directly so that we can do all we can to correct this.
